A B C D E F G H

I J K L M N O P Q

R S T U V W X

Y Z

text of some kind and  
there would be  
an option to look at  
"properties"  
and 'data' of the text  
would appear  
but it would be about  
the content not  
the actual form of the  
letters

A B E F I

J K U M H

O D N P

this would be the top  
of the page  
absence of negative space...  
and as you scroll down  
the letter forms would  
have more negative space

**J**
